

NUERATIGHT™

Cellulite and Muscle tightening

A non invasive Skin Tightening treatment used for cellulite reduction on the abdomen, Glutts and Lgs as well as addressing stubborn fat pockets by utilizing radio frequency energy to gently heat the tissues to allow for lipolysis as well as skin tightening. This no downtime treatment can effectively give you the shape and smoothness you are looking for! Combined with Deep muscle building TorcPlus to tighten abs or lift your bootie. 9 sessions recommended

NUERATIGHT Face & Neck™

is a nonsurgical treatment that works by using temperature controlled radio frequency (RF) waves to generate heat into the skin to create a tightening effect and can also be used to melt fat beneath the skin (double chin, bra fat). This FDA cleared heating can treat superficial skin laxity in the face, neck or eyes. 6 sessions recommended. Boost your results by combining it with microneedling.

Skin Care

OXYGENEO™ 3 IN 1 SUPER FACIAL

Exfoliate the upper skin layer to remove dead cells, open clogged pores, smooth the surface and renew the skin by generating an abundance of CO₂ bubbles that permeate the upper skin layer. Oxygenates by sending O₂-rich blood to the skin to replace the CO₂. This results in optimal skin oxygenation and increased cellular activity. Then infusing nutrients, vitamins and selected active ingredients that nourish the skin and promote healthier and smoother complexion. It includes ultrasound and lymphatic massages for a final boost giving you a glow that truly lasts \$195

DMAE Anti-Aging Power Facial

For the latest in anti-aging and wrinkle reduction, try our exclusive facial designed to treat environmentally damaged skin. This treatment includes a power micro exfoliation, facial, power micro derm, and a DMAE collagen restructuring mask to noticeably improve skin elasticity, tone and texture. \$120

Medispa Facial

The ultimate in skin care, your skin is steamed, meticulously cleansed and exfoliated w/ extractions. A mask designed specifically for your skin type will promote a healthy and smooth complexion. Finished with relaxing face or hand massage. \$80

Deep Pore Medispa Facial

This results-orientated facial involves deep pore extractions removing black heads & clogged pores. The intensive Lumi™ Enzyme penetrates to soften up impurities even in most troubled complexions. Your skin will feel balanced & clean. \$110

Microcurrent Facial Lift

Tones and contours the face while reducing the appearance of fine lines and wrinkles in most clients. Fusion microcurrent facial not only treats the skin's surface, it re-educates facial muscles to bring firmness and contour to the face. A series of 5 recommended. \$99 ADD ON \$25

Redness Relief

Minimize redness, irritation, stinging, sensitivity or dryness. You will experience the calming effects of Dermastart's "Cooling Mask". By using green tea, chamomile tea and highly healing ingredients, your skin will thank you! \$80
