Eyebrow Tinting

There are different color choices to make your brows darker with the look you want. Eyebrows are the frame of your face; they should match your skin tone and hair color.

Eyelash Tinting

With darker lashes you won't have to worry about black mascara. Dark lashes make them look fuller.

*Clients who currently have lashes from other salons may be subject to additional fees up to \$45 for extended time to ensure your lashes meet our standards of health and excellence.
